

2019 RESOLUTIONS

#120 Richard Dyck – Matt Gray

WHEREAS sewer and water customer connections are now completed by an independent contractor; and

WHEREAS street and curb repair is part of the expense of such a connection; and

WHEREAS the property owner is responsible for their own service connection; now

THEREFORE BE IT RESOLVED the Council of the Town of Carman sets policy for sewer and water service connections that the cost of the service from the property building to the main; the street and curb repair; and curb stop is the responsibility of the property owner and shall be at his/her expense.
